It's a New Year again!!

I hope you & your families all had a Happy and safe Christmas and New Year Period

We had a fantastic time over the Christmas New Year period, catching up with family and friends.

As we get older the tasks seem to keep on coming. As each year goes by there is more to do & less time to do it.

The list of tasks just gets longer as do the number of projects I decide to embark on.

Hopefully I will catch up when I retire from work in a couple of years.

Covid19

All members are reminded that most events are still working under a Covid Safe Plan.

Please check in at all venues and events on arrival if required.

Also remember to obey all directions at these events.

The people running these events have NO option to abide by the Covid rules set in place, and the Clubs / organizer's can be heavily fined for noncompliance.

Everyone wishes it was all back to normal and with Covid rampant in the community

The event organizers and helpers don't have a choice, if they ask you to scan in or wear a mask, just do it. DON'T whinge at them.

All members please check events listed in coming events are still happening. Events can be rescheduled or cancelled.

A.S.M.F. Coming Events. 2022
