It's a New Year again!!

I hope you & your families all had a Happy and safe Christmas and New Year Period

We had a fantastic time over the Christmas New Year period, catching up with family and friends.

As we get older the tasks seem to keep on coming. As each year goes by there is more to do & less time to do it.

The list of tasks just gets longer as do the number of projects I decide to embark on.

Hopefully I will catch up when I retire from work in a couple of years.

Supercars calendar: 12 rounds confirmed for 2024 season

The 2024 Supercars season will begin at the Mount Panorama Circuit with the Bathurst 500.

The race will be part of a two-week celebration at the famous track, joining the Bathurst 12 Hour event.

The Bathurst 1000 retains its traditional October slot on the calendar.

Popular events in Sandown and the Gold Coast will remain for 2024, while Adelaide will host the season finale again.

Taupō will notably host its first-ever Supercars race in April as the series returns to New Zealand.

A new format will also debut in 2024 — Super400.

It will comprise two separate 200km races held on either day, with mandatory refuelling implemented.

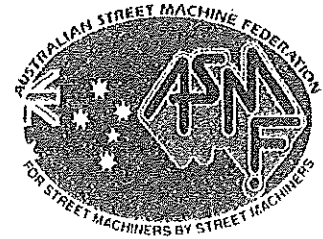

Sydney and Taupō will hold their events under this format next year.

Two races from 2023 have been removed from the 2024 calendar — the Newcastle 500 and SuperSprint at The Bend.
