Out & About

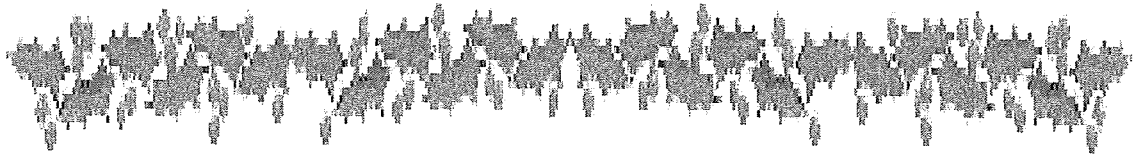

Ipswich Swap Meet 29/6/25

The weather was fine and cool, there was a good variety of cars in the Display area and plenty of sellers for the much needed parts. I Found a few bargains that I never realized I needed as well as the usual catching up with friends.

Chrysler Expo 2025 14/9/25

The weather was fine and mild with a good selection of the Chrysler family of Vehicles.

These ranged from the Classic Valiants to US Muscle cars and a few trucks. There was a host of classic motorcycles and other machinery to see as well

Merry Christmas

On behalf of the Committee I would like to thank the Members and Clubs that have supported us throughout this challenging year.
