## **It's a New Year again!!**

I hope you & your families all had a Happy and safe Christmas and New Year Period

We had a fantastic time over the Christmas New Year period, catching up with family and friends.

As I get older the tasks seem to keep on coming. Each year there is more to do & less time to do it.

My list of tasks is still getting longer as do the number of projects I decide to embark on.

Hopefully I will catch up when I retire from work next year.

With any luck my new sheds will be up Early January

Just in time for the bits I buy at the Toowoomba Swap
